CREATING ENDURING HEALTH EQUITY

BOARD MEMBER

Foundation for Healthy Generations (Healthy Gen)—a statewide leader working to ensure all people have an equal opportunity to lead a healthy life—is currently recruiting Board members. We are recruiting members with at least one of the following backgrounds: development and fundraising, finance, community health, public affairs, social justice, workforce development, and/or technology.

Role of Board / General Expectations of all Board Members:

- Provide leadership and advocacy
- Financial oversight
- Assist in developing overall strategy and vision
- Connect Healthy Gen with community networks
- Ensure implementation of Healthy Gen's mission and objectives
- Actively engage in Board activities

If interested, please email us at jobs@healthygen.org and we will get in touch with you.
